

Boston Housing

3 cluster

Mean value of house price (the first value is average value of each cluster, and second value is about best beta)

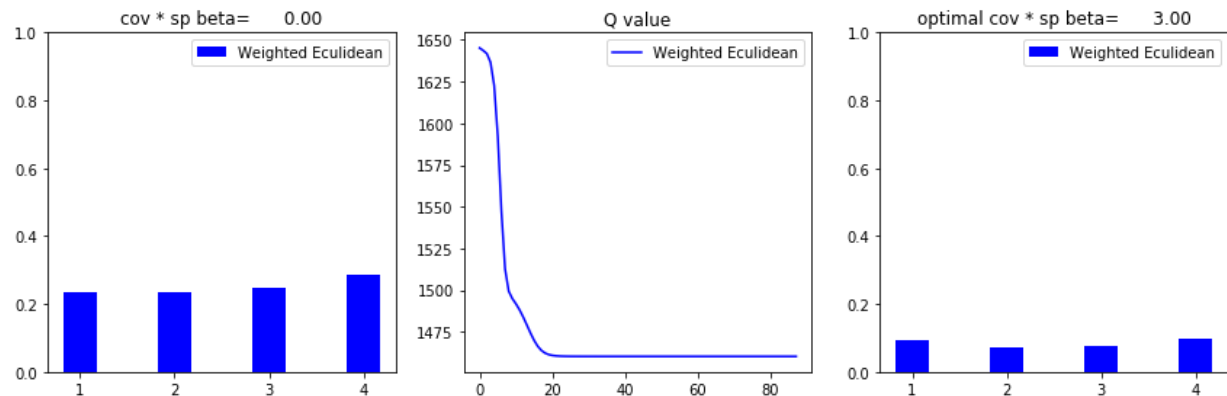

```
cluster 0 28.2622641509 in best beta 24.7834951456
cluster 1 16.1630573248 in best beta 16.9202898551
cluster 2 23.0015789474 in best beta 22.1418367347
```

4 cluster

Mean value of house price (the first value is average value of each cluster, and second value is about best beta)

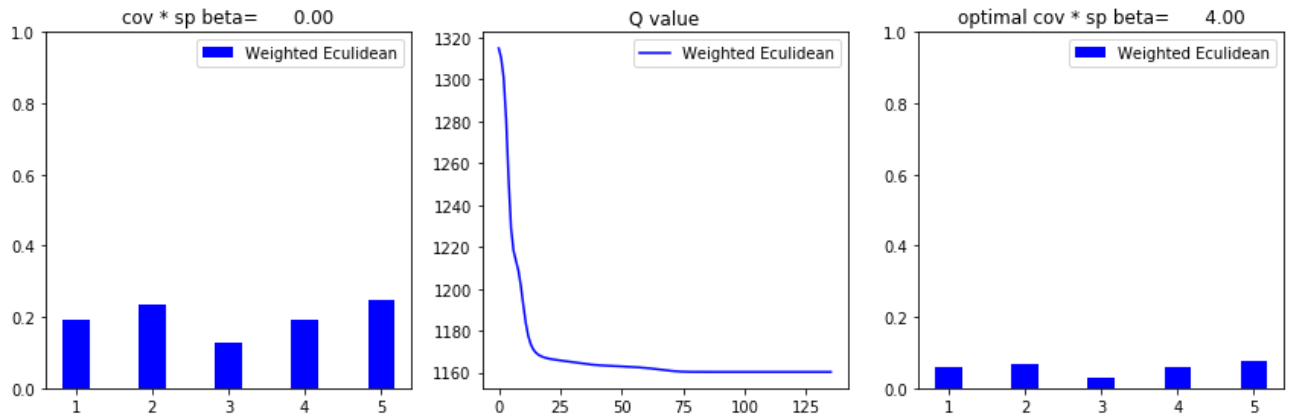

```
cluster 0 28.7613207547 in best beta 25.3677248677
cluster 1 16.2410071942 in best beta 16.7585714286
cluster 2 19.9654205607 in best beta 21.0493589744
cluster 3 25.7084415584 in best beta 22.9699074074
```

5 cluster

Mean value of house price (the first value is average value of each cluster, and second value is from best beta)

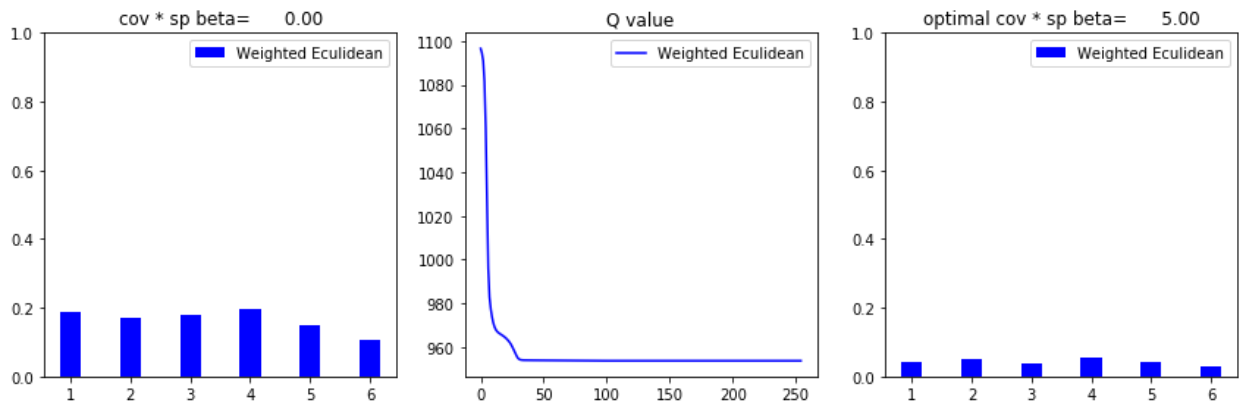

```
cluster 0 29.477173913 in best beta 25.975
cluster 1 21.4846153846 in best beta 21.3616666667
cluster 2 13.01 in best beta 13.525
cluster 3 17.2526785714 in best beta 16.7172413793
cluster 4 26.0909090909 in best beta 22.8759776536
```

6 cluster

Mean value of house price (the first value is average value of each cluster, and second value is from best beta)

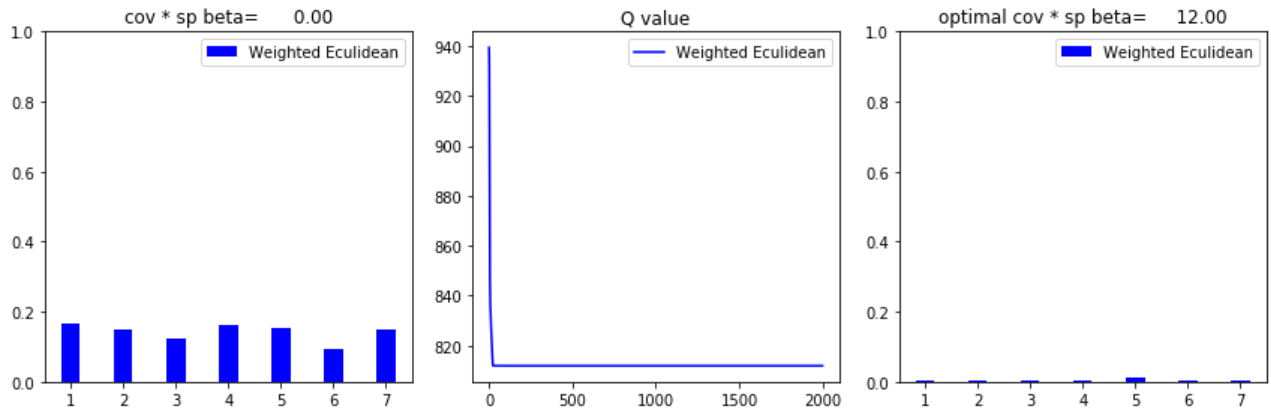

```
cluster 0 29.8352941176 in best beta 22.2072164948
cluster 1 17.3698113208 in best beta 16.6775510204
cluster 2 19.1780952381 in best beta 20.2676470588
cluster 3 24.5745283019 in best beta 23.2324786325
cluster 4 29.5382716049 in best beta 26.658
cluster 5 13.01 in best beta 13.1136363636
```

7 cluster

Mean value of house price (the first value is average value of each cluster, and second value is from best beta)

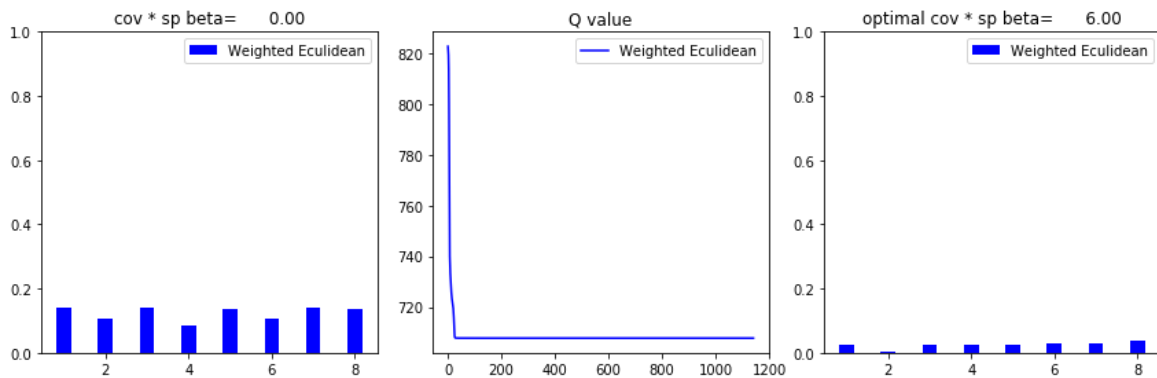

```
cluster 0 23.7745098039 in best beta 24.15
cluster 1 23.294 in best beta 19.0
cluster 2 29.3441176471 in best beta 28.3666666667
cluster 3 30.5 in best beta 23.75
cluster 4 17.32 in best beta 15.2142857143
cluster 5 13.0666666667 in best beta 10.25
cluster 6 18.7958333333 in best beta 19.0
```

8 cluster

Mean value of house price (the first value is average value of each cluster, and second value is from best beta)

```
cluster 0 28.4490909091 in best beta 22.4774193548
cluster 1 17.8725490196 in best beta 17.5333333333
cluster 2 30.8 in best beta 23.2818181818
cluster 3 12.9055555556 in best beta 12.4285714286
cluster 4 19.3126760563 in best beta 20.5891304348
cluster 5 29.631147541 in best beta 27.7457142857
cluster 6 24.6572916667 in best beta 22.8739130435
cluster 7 17.6680412371 in best beta 15.405
```
